

ADEL OAKDALE PRIDE Memorial Brick Order Form

The bridge into the Adel Oakdale Cemetery has been cleaned and the sign updated. Next, as you move forward, imagine an updated flag pole plaza. This area would include a retaining wall that can be used as a bench, two large memorial boulders and plants, all anchored with brick pavers. Our dream is that this area be enhanced by having the bricks dedicated to those we love, a lasting memorial. Or perhaps you would like to have an engraved paver as part of your home landscaping. For example, this paver could be dedicated to a much beloved pet. We are now taking orders for 4"x8" brick pavers.

Prices are shown below and include the cost of engraving. Engraving is limited to 3 lines, 15 characters per line. Please consider honoring a loved one by purchasing a brick paver.

Prices:	\$55 - single brick to be donated to cemetery project
	\$50 - price per brick for orders of two or more bricks for cemetery project
	\$60 - Single brick for personal use
